DARK WIZARDS TAKE OVER!

Thousands Join the HPQuest!

The Third Week of the Quest Begins...

BY ARTHUR ACRONYM, STAFF REPORTER

A shocking turn of developments! A new group of dark wizards, known only as "The Dark Eyes," have begun attacking innocent wizards and witches around the globe!

News of the attack was first discovered when a mysterious video was posted on You Tube by a young wizard, known to many as Wizarding Wilson.

Subsequently, a strange series of events has taken place that has caused HP Quest wizards to join forces to try and learn what provoked the attack and what "The Dark Eyes" want from the wizarding community!

"This has not just become a Quest to sharpen wizarding skills and win one of the great prizes!," said one HP Quester who asked to remain anonymous (for fear The Dark Eyes might seek him out). "This has become yet another quest for good to triumph over evil. We must ensure our peaceful wizarding community is not destroyed!"

This mysterious video made by young wizard, Wilson Mallad (aka Wizarding Wilson) first appeared on You Tube after "The Dark Eyes" struck.
